

### Replication Instructions

- R code to replicate Figure 1, `R/bias.R`
  - This may take a significant amount of time.
- R code to replicate Figure 2, `weisiger-replication/R/weisiger-replication.R`
  - Make sure you run `weisiger-replication/R/fn-jeffreys-logit.R` and `weisiger-replication/R/int-lp-jeffreys.R` prior to the replication itself.
